#### FACTUAL ALLEGATIONS

9. Although over thirty (30) years have passed since the effective date of Title III of the ADA, Defendants have yet to make their facilities accessible to individuals with disabilities.

10. Congress provided commercial businesses one and a half years to implement the Act. The effective date was January 26, 1992. In spite of this abundant lead-time and the extensive publicity the ADA has received since 1990, Defendants have continued to discriminate against people who are disabled in ways that block them from access and use of Defendants' property

and the businesses therein.

11. The ADA prohibits discrimination on the basis of disability in 28 CFR 36.201 and requires landlords and tenants to be liable for compliance.

12. Plaintiff, CARLOS BRITO, is an individual with disabilities as defined by and pursuant to the ADA. Plaintiff, CARLOS BRITO, is, among other things, a paraplegic (paralyzed from his T-6 vertebrae down) and is therefore substantially limited in major life activities due to his impairment, including, but not limited to, not being able to walk or stand. Plaintiff requires the use of a wheelchair to ambulate.

13. The Plaintiff is a staunch advocate of the ADA. Since becoming aware of his rights, and their repeated infringement, he has dedicated his life to this cause so that he, and others like him, may have full and equal enjoyment of public accommodations without the fear of discrimination and repeated exposure to architectural barriers in violation of the ADA.

14. He is often frustrated and disheartened by the repetitiveness of the complaints he is forced to make to employees and management at different places of public accommodation over thirty (30) years after the legislation of the ADA, to no avail. The Plaintiff is accordingly of the belief that the only way to affect change is through the mechanisms provided under the ADA.

15. Defendant, M LANDMAN ENTERPRISES, LLC, owns, operates, and oversees the Commercial Property, its general parking lot and parking spots specific to the businesses therein, located in Miami Dade County, Florida, that is the subject of this Action.

16. The subject Commercial Property is open to the public. The individual Plaintiff visits the Commercial Property and businesses located within the commercial property, to include visits to the Commercial Property and business located within the Commercial Property on or about November 25, 2024, and encountered multiple violations of the ADA that directly affected

his ability to use and enjoy the Commercial Property. He often visits the Commercial Property in order to avail himself of the goods and services offered there, and because it is approximately fourteen (14) miles from his residence and is near other businesses and restaurants he frequents as a patron. He plans to return to the Commercial Property within four (4) months of the filing of this Complaint, in order to avail himself of the goods and services offered at the place of public accommodation and check if it has been remediated of the ADA violations he encountered.

17. The Plaintiff found the Commercial Property and the businesses named herein located within the Commercial Property to be rife with ADA violations. The Plaintiff encountered architectural barriers at the Commercial Property, and businesses named herein located within the Commercial Property, and wishes to continue his patronage and use of each of the premises.

18. The Plaintiff has encountered architectural barriers that are in violation of the ADA at the subject Commercial Property and businesses located within the Commercial Property. The barriers to access at the Commercial Property, and businesses within, have each denied or diminished Plaintiff's ability to visit the Commercial Property and have endangered his safety in violation of the ADA. The barriers to access, which are set forth below, have likewise posed a risk of injury(ies), embarrassment, and discomfort to Plaintiff, CARLOS BRITO, and others similarly situated.

19. Defendants, M LANDMAN ENTERPRISES, LLC; and BARZOLA DGA, INC, INC., own and/or operate places of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201 (a) and 36.104. Defendants, M LANDMAN ENTERPRISES, LLC; and BARZOLA DGA, INC, are responsible for complying with the obligations of the ADA. The place of public accommodation where Defendants, M LANDMAN ENTERPRISES, LLC; and BARZOLA DGA, INC, own and/or operate are the Commercial

Property and/or Business located at 4880 NW 7th Street, Miami, Florida, 33126.

20. Defendants, M LANDMAN ENTERPRISES, LLC, and BARZOLA DGA, INC, are jointly and severally liable and responsible for all the violations listed in Count II of this Complaint. Defendant, M LANDMAN ENTERPRISES, LLC as landlord of the commercial property is liable for all the violations listed in this Complaint.

21. Plaintiff, CARLOS BRITO, has a realistic, credible, existing, and continuing threat of discrimination from the Defendants' non-compliance with the ADA with respect to the described Commercial Property, and with respect to the allegations of this Complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination at the Commercial Property, in violation of the ADA. Plaintiff desires to visit the Commercial Property and business located therein, not only to avail himself of the services available at the Commercial Property, but to assure himself that the Commercial Property and business therein are in compliance with the ADA, so that he and others similarly situated will have full and equal enjoyment of the Commercial Property without fear of discrimination.

22. Defendants have discriminated against the individual Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the Commercial Property and business located therein, as prohibited by 42 U.S.C. § 12182 *et seq.*

**COUNT I – ADA VIOLATIONS AS TO DEFENDANT  
M LANDMAN ENTERPRISES, LLC**

23. The Plaintiff adopts and re-alleges the allegations set forth in paragraphs 1 through 22 above as though fully set forth herein.

24. Defendant, M LANDMAN ENTERPRISES, LLC, has discriminated, and continues to discriminate against Plaintiff in violation of the ADA by failing, *inter alia*, to have

accessible facilities by January 26, 1992 (or January 26, 1993, if defendants have 10 or fewer employees and gross receipts of \$500,000 or less). A list of the violations that Plaintiff encountered during his visit to the Commercial Property are the following:

A. Parking and Exterior Accessible Route

- i. Parking spaces throughout Defendant's Commercial Property contain slopes beyond limits, surface cracks within parking spaces and lack compliant accessible routes from accessible parking, violating Sections 402 and 502 of the 2010 Accessibility Standards, whose resolution is readily achievable. These conditions during numerous visits prevented Mr. Brito from unloading from his vehicle freely and safely.
- ii. Defendant's Commercial Property fails to provide the required amount of compliant accessible parking spaces, violating Section 502 of the 2010 Accessibility Standards, whose resolution is readily achievable. The lack of accessible parking makes Mr. Brito park in open areas so he can unload freely and safely from his vehicle.
- iii. Curb ramps provided to access stores at Defendant's Commercial Property are unsafe for wheelchair users. The curb ramps lack level landings, violating Sections 402 and 406 of the 2010 Accessibility Standards, whose resolution is readily achievable. These conditions are unsafe for Mr. Brito when he accesses the curb ramps.
- iv. The exterior accessible route from parking spaces and throughout Sausalito Square fails to provide a safe accessible route, violating Section 402 of the 2010 Accessibility Standards, whose resolution is readily achievable. Mr. Brito was forced to travel through the abrupt changes of level and/or slopes and in the traffic area of the center to get to the curb ramp.
- v. Defendant's Commercial Property fails to provide a safe accessible route to the adjacent bus stop, street and/or sidewalk, violating Section 206.2.1 of the 2010 Accessibility Standards,

whose resolution is readily achievable. The lack of a compliant accessible route prevents the option of public transportation for Mr. Brito.

- vi. Entering tenants is impeded by slopes beyond limits and/or abrupt changes of level at the base, violating Section 404 of the 2010 Accessibility Standards, whose resolution is readily achievable. Abrupt changes of level and slopes can cause damage to Mr. Brito's wheelchair.

A list of the violations that Plaintiff encountered during his visit to the Commercial Property and Business, include but are not limited to, the following:

#### **RELIEF SOUGHT AND THE BASIS**

27. Plaintiff requests an inspection of the Defendants' place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA identified in this Complaint in conjunction with Rule 34 and timely notice. Plaintiff requests to be allowed to be physically present at such inspection in conjunction with Rule 34 and timely notice. Plaintiff requests the inspection in order to participate in crafting a remediation plan to address Plaintiff's request for injunctive relief. The remediations for the ADA violations listed herein are readily achievable.

28. The individual Plaintiff, and all other individuals similarly situated, have been

denied access to and have been denied full and equal enjoyment of the goods, services, facilities privileges, benefits, programs, and activities offered by the Defendants, Defendants' building, the businesses, and facilities therein; and has otherwise been discriminated against and damaged by the Defendants because of the Defendants' ADA violations as set forth above. The individual Plaintiff, and all others similarly situated, will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA, as requested herein. Plaintiff requests the inspection of the barriers listed herein in order to participate in crafting a remediation plan to address Plaintiff's request for injunctive relief.

29. Defendants have discriminated against the individual Plaintiff by denying him access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility, in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Furthermore, Defendants continue to discriminate against Plaintiff, and all those similarly situated, by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

30. Plaintiff is without adequate remedy at law, will suffer irreparable harm, and has a clear legal right to the relief sought. Further, injunctive relief will serve the public interest and all those similarly situated to Plaintiff. Plaintiff has retained the undersigned counsel and is entitled to recover attorneys' fees, costs, and litigation expenses from Defendants pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

32. Notice to a defendant is not required as a result of the defendants' failure to cure the violations by January 26, 1992 (or January 26, 1993, if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendants.

33. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff's injunctive relief, including an order to alter the Commercial Property, and the business named herein located within the commercial property, located at and/or within the commercial property located at 4880 NW 7th Street, Miami, Florida, 33126, the exterior areas, and the common exterior areas of the Commercial Property, to make those facilities readily accessible and useable to the Plaintiff and all other mobility-impaired persons; or by closing the facility until such time as the Defendants cure the violations of the ADA.

WHEREFORE, the Plaintiff, CARLOS BRITO, respectfully requests that this Honorable Court issue (i) injunctive relief against Defendants including an order to make all readily achievable alterations to the facilities; or to make such facilities readily accessible to and usable by individuals with disabilities to the extent required by the ADA; and to require Defendants to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; (ii) an award of attorneys' fees, costs and
